## Work Experience

2023 -  
Present

### English Language Instructor | Nigar High School

- Planning and delivering lessons to students of various levels and backgrounds.
- Developing and implementing curriculum and instructional materials.
- Assessing student progress and providing feedback on their language skills.
- Creating a positive and engaging learning environment for students.

2023 -  
Present

### Frontend developer | Cosmino Productions

- As a Web Developer at Cosmino Productions, I designed, built, maintained, and deployed their website for a key project.
- I played a critical role in ensuring the website had a responsive design, delivering seamless user experiences across multiple devices.
- My expertise in development was instrumental in achieving these goals.

2023 -2023  
4 months

### HR and Digital Marketing Intern | Gao Tek Inc.

- Handling HR tasks such as recruitment, employee records, new hire orientations, performance management, and employee relations
- Responding to employee inquiries and coordinating training programs
- Providing administrative support to the HR department
- Ensuring compliance with HR policies
- Assisting with projects as needed
